

LASTING MEMORIES™
BY MATTHEWS

Construction & Site Management

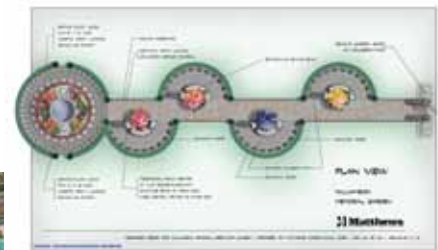

From Design to Dedication, Matthews is there every step of the way. We are proud to offer a comprehensive range of services to help you create an extraordinary internal or external memorial space that captures the essence and mission of your institution. We are your consultants to help guide you throughout the construction as we possess the background and knowledge to anticipate and overcome any challenges it might present. Our expertise gives us special insight and a clear understanding of what is needed to

complete the project within budget and on time. You can be assured that Matthews and its regional construction partners will be by your side as we mind every detail. Matthew's designers and construction network secure any necessary permits and

coordinate the entire production, making this a worry-free and seamless project. Our services can include site prep, foundation, structural framing, special clearing, installation, finishing, etc... While our focus remains sensitive to

your schedule, timing and budget, we will never compromise quality. When construction is complete, your institution will provide a legacy foundation for individuals who will be cherished for generations to come.
